

ARCOP Announces Partnership with FlexCare Telemedicine

TELEMEDICINE
24/7 Access to US
Board-Certified
Doctors and
Pediatricians.
Anytime. Anywhere.

ARCOP has chosen FlexCare, a leading provider of telehealth solutions, as a telemedicine partner offering unmatched service, pricing and plan flexibility to our members.

FlexCare telemedicine provides members 24/7/365 telephonic or live video access to US board-certified physicians in all 50 states who can diagnose, treat and prescribe medication, when appropriate, for many acute medical conditions.
